PROJECTS

PENDING.

WORK EXPERIENCE

Doctor, *NHS*

Aug 2019 – Present

Volunteer Contact Specialist, *Flucamp hVIVO*

Sept 2017 – Oct 2018

Part-time office-based job, working in a small team to assess and recruit eligible volunteers for Flucamp clinical trials. Role also involves liaising with GP surgeries to obtain medical records as well as various other admin duties.

Customer Assistant, *Tesco Express*

Jul 2016 – Aug 2018

Part-time job working in a busy Express store carrying out various in-store roles including, till-work, age-restricted sales and working stock.

Call Centre Agent, *118 Information Group*

Jul 2015 – Aug 2015

Contacting clients, to update business details for listings in directory enquiries. Role required patience and resilience as clients often mistook us for sales representatives. My role improved my communication skills through listening and speaking to many clients and dealing with people not willing to co-operate.

Retail Assistant, *Primark*

Aug 2014 – Sept 2014

Part-time job working in a busy Express store carrying out various in-store roles including, till-work, age-restricted sales and working stock.

Filing and Admin Clerk, *ABC Teachers*

Jun 2014

Temporary job assisting staff within a busy office. My job included general administration work including franking, filing and organising files. My attention to detail is always such that I carry out every job thoroughly.

Retail Assistant, *Farmfoods Tamworth*

Nov 2012 - Aug 2013

Part-time job working in a small store with various responsibilities including: helping customers, operating the till, stock replenishment, stock takes, delivery work, cleaning the store and cashing up. The store was often busy and only staffed by two people so my job required the ability to work in a fast paced environment, under pressure and required good teamwork, time management, and people skills.

Checkout Operator, *ASDA Tamworth*

Nov 2012 - Jan 2013

Part-time job working in a large supermarket during the busiest time of the year. I was responsible for processing customer transactions and carrying out appropriate ID checks for age-restricted products.

Warehouse Operative, *The Amethyst Group*

Jul 2012 - Aug 2012

Full-time job working in a New Look warehouse processing orders and returns. My job required high attention to detail, checking product codes against items to ensure that the correct items were delivered and returned.

Maths and Science KS2/KS3 Tutor, *Private Clients*

May 2012 - Sept 2013

Part-time role tutoring students of varying ages. My role required good organisation and planning to ensure relevant topics were covered, the ability to vary teaching styles to different levels of understanding and the ability to deliver complicated information in a clear and simplified way.

Administrative Assistant, *Brereton Surgery*

Jul 2009 - Jun 2013

Part-time employment gained following work experience; carrying out basic office duties handling confidential information and aiding receptionists with their jobs.
